

September 28, 2016

Hello, Everyone! Thank you for entering the October 1-2, 2016 CPE trial hosted by AgileDogs Agility Training. This is your entry confirmation. Please read this confirmation carefully because there are changes to both the start times and the location of the ring within the park. Your individual entry confirmation will be coming in a separate email. Please be sure to look at it closely and let me know of any errors or move ups. We are going to do our best to move the trial along efficiently while making sure everyone has a safe and successful run and gets their time in the ring. Walk throughs will be timed at 7 minutes all weekend long. We will be counting on our volunteers (thank you so, so much!) to help make the weekend go smoothly. Please listen to both the general briefing in the morning and the judge's class briefings for ways we can make the trial run more efficiently and for any changes to the schedule.

CHECK-IN, MEASURING, AND STARTING TIMES:

Saturday: Check-in and measuring will be from 8:15 – 8:45

General / Judges' briefing 8:45; First dog on the line immediately after walk throughs.

Sunday Check-in and measuring will be from 8:15 – 8:30

General / Judges' briefing 8:30; First dog on the line immediately after walk throughs.

MEASURING:

There will be NO measuring of dogs AFTER the Judges Briefing begins each day – ALL DOGS WITHOUT A PERMANENT HEIGHT CARD MUST BE MEASURED before the Judges' Briefing in order to show that day – THERE WILL BE NO EXCEPTIONS.

See the website (www.agiledogs.net) on Thursday for the list of dogs who will need to get measured at this trial.

IMPORTANT:

The ring will be located just over the bridge directly across from the pavilion inside the 2nd entrance to the park. The 2nd entrance driveway that we normally use will be closed at 9:00 AM and remain closed during the trial for the safety of the dogs and handlers entering and exiting the ring and waiting to run. There is plenty of parking and setup space convenient to the ring accessible by using the first driveway off of Old Post Rd. Please pull off of the driveway when parking. Handicapped parking will be marked and in close proximity to the ring entrance.

AWARDS:

Perfect weekend rosettes will be awarded to teams achieving Q's in all 8 runs

CATALOGS:

Only a few copies of the run catalog will be available at the trial. The catalog will be available for download and printing on Wednesday night at www.agiledogs.net

If you want to volunteer or have questions, please email Lisa Norris, jumpinbeandogs@hotmail.com. Please do not worry about conflicts between classes you're working and classes you're running in. All workers will be accommodated. You can move your dog within a class to make sure you have time to concentrate on having a successful run with your 4-footed partner. If your job for a given class is timer, scribe, assistant scribe, or gate steward, please report to the chief ring steward when the briefing for the class begins, so you can prepare for your job and so the judge can brief you if needed – thanks! If your job is anything not already mentioned, you can report any time before or during the walk through.
