Take the Mass Pike all the way to exit 1. Continue on I-90 to the next exit, B-3 in Canaan, NY. At the end of the ramp go right, 22 North. In New Lebanon, Route 20 and 22 run together for a short while. At the blinking red light in New Lebanon, turn right to stay on 22 North. About a half mile later, make sure you stay on Route 22 by bearing left just before a boarded up gas station you will see on your left. Continue to the traffic light in Stephentown where Routes 22 and 43 intersect. Go straight to continue on 22 North. Follow Directions from the 22/43 Intersection.

Directions from the West:

Take I-90 East to the Route 43 Exit. Follow Route 43 East into Stephentown, turn left at the lights at 22 and 43 to continue on Route 22 North and follow as below.

Directions from the 22/43 Intersection:

Heading North on Route 22, you'll go up a hill where route 22 becomes 2 lanes. It goes back down to one lane after you get to the top of the hill and you will pass a mobile home park on your right. Just after that there is a brown house on the right. ** The road right next to that house is Giles Road or County Route 33. Take that road, it is short, takes a sharp right at a horse farm- tan buildings - 5 rail split rail fencing - on your right. You will go over a little bridge, you'll see farm buildings on both sides of the road and straight ahead on the right you will see the training building- white domed roof with tan walls and windows. There is a driveway marked by metal fence posts and an orange cone, with a Sugar Bush Farm sign next to it. Follow the driveway to the training building area. Parking is available next to the building.

Directions from the North:

From Hoosick Falls you will take Route 22 South. Go through the town of Berlin. Approximately 3 miles south of the Berlin Jr./Sr. High School on your left is Giles Road or County Route 33. Follow Directions from ** above.
